Complimentary VIP Registration - Terms

Middle East Trade Company Limited (METCO Global) is pleased to offer you a complimentary Delegate registration for this educational gathering, the details of which are set out below. As a senior business leader, we recognize that you can add significant value to the content of this CXO gathering, and we look forward to working with you at the venue and date discussed.

We have set out below the commitments that we ask of all of our Delegates. We also set out our commitment to you along with the details of the educational package that we are pleased to offer your organisation.

Educational Delegate Commitment

1. You agree to attend and/or participate at any of the case studies, thought-leadership discussions or other activities that are stipulated per your areas of interest in high priority technology issues, challenges and solutions. The insight of all delegates regarding their current responsibilities and focus on technology will assist all participants in creating an environment better suited for technology and business advancements. You agree to prepare to the best of your ability to discuss the issues put forward at the roundtable/event.
2. Middle East Trade Company Limited (METCO Global) may use your name, headshot and job title for the session along with related materials; such as the company website, etc.
3. You have the option to become a member of our online community to interact with peers who have attended METCO Global events in the past and/or will attend in the future.
4. Delegates are responsible for their own insurance (including, but not limited to travel insurance, personal effects and personal insurance), vaccinations and visas (where applicable).

Middle East Trade Company Limited's (METCO Global) Commitment

1. Middle East Trade Company Limited (METCO Global) will cover food and beverages, in addition to your registration for the duration of the event.
2. You will have the opportunity to interact with business leader peers to discuss issues and advancements in the industry.

Cooperation, Substitution and Cancellation

1. Middle East Trade Company Limited (METCO Global) will make all reasonable endeavours to accommodate any unforeseen changes you may wish to make to your schedule or travel arrangements. If you are unable to attend the roundtable/event, Middle East Trade Company Limited (METCO Global) will work with you to try to secure a suitable replacement. In this regard, you will appreciate that maintaining the quality of the peer-to-peer interaction is critical to protecting the integrity of the event, and therefore any replacements must be: (1) of equal or senior standing within your organisation (or alternatively of equal or senior standing within another organisation which itself is of equal standing to your own); and (2) approved by Middle East Trade Company Limited (METCO Global). Middle East Trade Company Limited (METCO Global) withholds the right to reject any suggested replacement. This right is a material term and condition of this agreement.

GDPR Compliance

The following is a broad description of the way this organisation/data controller processes personal information.

Reasons/purposes for processing information

We process personal information to enable us to:

- a) provide marketing, advertising and public relation services to our clients
- b) maintain our accounts and records
- c) promote our services
- d) undertake research
- e) support and manage our employees

Type/classes of information processed

We process information relating to the above reasons/purposes. This information may include:

- a) personal details
- b) membership details
- c) goods and services
- d) family details
- e) lifestyle and social circumstances
- f) financial details
- g) education and employment details

We also process sensitive classes of information that may include:

- a) physical or mental health details
- b) racial or ethnic origin
- c) religious or other beliefs of a similar nature
- d) offences and alleged offences
- e) trade union membership

Who the information is processed about

We process personal information about our:

- a) customers and clients
- b) employees
- c) suppliers
- d) enquirers and complainants
- e) survey respondents
- f) professional advisers and consultants

Who the information may be shared with

We sometimes need to share the personal information we process with the individual themselves and also with other organisations. Where this is necessary we are required to comply with all aspects of the Data Protection Act (DPA). What follows is a description of the types of organisations we may need to share some of the personal information we process with for one or more reasons.

VAT REG NO: 194 6900 75 REGISTRATION NO: 8816036

Data Research

Personal information is also processed in order to undertake research. For this reason the information processed may include name, contact details, family details, lifestyle and social circumstances, financial details, goods and services. The sensitive types of information may include physical or mental health details, racial or ethnic origin and religious or other beliefs. This information is about survey respondents. Where necessary or required this information may be shared with customers and clients, agents, service providers, survey and research organisations.

Consulting and Advisory Services

Information is processed for consultancy and advisory services that are offered. For this reason the information processed may include name, contact details, family details, financial details, and the goods and services provided. This information may be about customers and clients. Where necessary this information is shared with the data subject themselves, business associates and other professional advisers, current, past or prospective employers and service providers.

CCTV for Crime Prevention

CCTV is used for maintaining the security of property and premises and for preventing and investigating crime, it may also be used to monitor staff when carrying out work duties. For these reasons the information processed may include visual images, personal appearance and behaviours. This information may be about staff, customers and clients, offenders and suspected offenders, members of the public and those inside, entering or in the immediate vicinity of the area under surveillance. Where necessary or required this information is shared with the data subjects themselves, employees and agents, services providers, police forces, security organisations and persons making an enquiry.
